

THE CASE FOR CASE

Unit 2 legal professionals advocate each day to protect Californians' natural resources, livelihoods, health, safety, and opportunity. CASE is here to advocate for you.

A legacy of strong advocacy.

Founded by state legal professionals, for state legal professionals, CASE is a member-led organization focused on improving your salary and benefits, protecting your retirement, and advocating for you at the bargaining table, with your employer, before the Legislature, administrative agencies, in the courts, and everywhere your employment and professional interests are at stake.

Membership matters.

Strong membership sends a message to the Governor and agency heads across the state: CASE is united, engaged, and a force in Sacramento where decisions are made each day that affect your bottom line and your work. Join the thousands of Unit 2 legal professionals who count on CASE to represent their needs.

Expert help when you need it most.

Navigating the California State Civil Service system can be daunting for new and long-time employees. CASE Staff has decades of combined experience representing Members with their most complex labor relations issues. You insure your car, home, and health. Membership provides coverage for your career.

CASE is funded solely through voluntary membership dues. Your \$60 monthly dues are used to advocate for better salary and benefits, protect your retirement, secure your workplace rights, and more. Invest in your future: Join today.
