

# Talene Ghazarian

Director-at-Large\*

**Classification:** Attorney III

**Department:** Department of Health Care Services (DHCS)

**CASE Membership:** 6 years

**Years on CASE Board:** 2

**Committee Membership:** Bargaining, membership, legislative

---

## THE LAST 2 YEARS

I've been honored to serve CASE over the last two years as a Director-at-large and member of the bargaining, legislative and membership committees.

While at the bargaining table, I advocated tirelessly for the interests of all members, including younger attorneys and the post-PEPRA population. This included making the case - successfully - for a new paid family leave benefit.

I'm also proud of the work our board has done to increase member communication and engagement during my tenure. And as highlighted in those communications, CASE has also been busy actively and successfully challenging problematic departmental practices and policies, such as illegal outsourcing and inflexible telework policies.

---

## THE NEXT 2 YEARS

If re-elected I promise to continue to fight for pay parity with our peers in local and federal government; for progressive and competitive benefits packages that include a stronger paid family leave policy, and adequate compensation of post-PEPRA members for the pension benefits we've lost.

---

**RE-ELECT TALENE GHAZARIAN  
FOR DIRECTOR AT LARGE**
